### Happy Birthday Unity

By: Jody Bennett

What is a birthday? We all have one. We all know what that day is to us. It is the day that

Roxanne (Rock) Shunk

something or someone has been born. It is a significant point in time. Unity on a Mission celebrated just that significant point in time with their 4th birthday at the Ponderosa (Unity on a Mission headquarters) in February 2017.

Birthday cake, chicken sliders, homemade hummus, brownies, and more goodies were prepared for the occasion by Carol Joiner and Bobbie Weaver. The Unity band played, Rock Shunk and Robert (Elwood) Everett welcomed everyone, and Rock spoke about how (see pg 5)

As they finished singing, they emitted a war cry and prayer for all nations and souls. The dedication and passion they have about prayer and praise, every Christian should have. Then Pastor Joseph Essiful-Ansah led the congregation in reciting Psalm 121. The First Lady led in prayer time for the prosperity and peace of Ghana. She truly took the people behind the veil (see pg 10)

## On Prayer 49 Watch and Pray (Part One)

By: Mozelle Davis-Weeks

The subject of “watch and pray” occurs multiple times in the Bible. According to what I have seen, there are 31 verses I found on this subject. Studying some of the scripture will help you become an intercessor.

Prov 8:34-35 says, “Blessed is the man who listens to me, watching daily at my gates, waiting at the posts of my doors. For whoever finds me finds life, and obtains favor from the Lord.”

This scripture, speaking, of course, as Wisdom, shows the importance of a daily appointment with God. You cannot watch and pray if you don’t go before the throne of God daily. If you meet God Three days out of seven, that means for four days you are on your own. Thinking you can survive with a quickie prayer on the way to work is dangerous. Too many Christians try to walk in their own strength.

In biblical times, the chief elders met to transact business at the city gates; they didn’t have a courthouse. God is saying, ‘I want you to meet me at the courthouse every day.’ The one who does not meet God every day is a sleeper instead of a watcher.

Ps 130:5-6 says, ‘I wait for the Lord, my soul waits, and in his word I do hope. My soul waits for the Lord more than those who watch for the morning – Yes, more than those who watch for the morning.’

The psalmist waits for the Lord more than the guard on night duty waits for the morning. That is a pretty long wait. The night guard waits for the sun with great longing, but also with a strong conviction to keep his post covered.

This is the personality type we need to have – type W. The “W” stands for watching and waiting for the Lord. This is way better than secular society’s discussion of types “A” versus “B.” We need to go to God daily, wait to hear what he wants us to do, and do it. Watching includes daily waiting.

### Blood Moon Tetrad

By: Shane Haley

Shane Haley

WHAT IS A BLOOD MOON TETRAD? A Blood Moon Tetrad is when there are four consecutive total lunar eclipses, which all fall on Jewish High Holy Days. The significance of the history of the Blood Moon Tetrads is not in the fact that they are simple eclipses, but that 4 in a row all fall on the Jewish Feast days.

Above is an illustration of a blood moon tetrad, Specifically the one we just saw a couple years

ago in 2014-15. The first was on Pesach (Passover) 15 April 2014, the second on Sukkot on 8 October 2014, the third on Pesach on 4 April 2015, and the last on Sukkot 28 September 2015.

Below is each Blood Moon Tetrad since Christ, in between each Tetrad I will show you the pattern.

AD 162 to 163 Persecution of Jews and Christians by Rome

795 - 163 = **632**

795 to 796 Rome and Islam battle for dominance

843 - 795 = **48**

842 to 843 Vatican attacked by African Islamic invasion

861 - 842 = **19**

860 to 861 Islam unable to advance into Europe

**1493 - 861 = 632**

1493 to 1494 Jews expelled from Spain, Birth of the New

(Western) World

1949 - 1494 = 455 \* 1949 - 1493 = 456 \*

456+455=911

1949 to 1950 Rebirth of Israel, freedom from the Arabs

1968 - 1949 = **19**

1967 to 1968 6 day war, victory over their Arab enemies

2015 - 1967 = **48**

2014 to 2015 = Current Blood Moon Tetrad

**19 + 48 = 67**

1) **1967** is the 6 day war when Israel was attacked by 4 Arab countries, and they won the war in 6 days and recaptured Jerusalem.

2) **1948** is the year that the modern state of Israel was formed.

3) **632** is the year that the false prophet Muhammad died.

I’m just sayin’.

### Garden of Life

By: Wade Carey

Wade & Elisa Carey

“Think about how intertwined all three of these spiritual items are. Also, think about what it would be like if you were completely removed from God’s presence. You know; if you were removed from ever experiencing these blessings ever again. What do you suppose your life would be like?”

“Pretty bad, I guess, but you’re still not proving anything.”

“Like I said, please be patient, Henry. We’re talking about some pretty deep issues, here. I’m afraid that as it relates to God, there simply aren’t any drive-through answers regarding his existence or non-existence. In other words, getting to know the Lord is a journey; not a destination.”

“I guess that makes sense,” Henry relented. So what else do you have to say about faith, hope,

and love? How does all of that work?”

“In Galations 5:6 we are told that, ‘For in Christ Jesus neither circumcision nor uncircumcision has any value. The only thing that counts is faith expressing itself through love.’ So tell me; what do you think both of these passages mean?”

“Hey, I’m no Bible professor,” Henry objected, holding up his hands. “I don’t believe in the darned thing. How could I possibly understand that quote?”

“You don’t have to be a Bible professor to read and seek the meaning of scripture,” Jerry said. Please, indulge me. If the Bible is true, what do you think those passages mean?”

Jerry repeated the scriptures.

“Well,” Henry began. “If those passages are true, it sounds like there’s an inter-relationship between faith, hope, and love. If those things are indeed the spiritual fruits and gifts from God you seem to be claiming, then it makes sense they’d all work together to bless God’s people.”

“Wow!” Jerry exclaimed. “That was pretty brilliant for a pantheist who thinks that God is basically a rock; among other things.”

Henry chuckled. “That’s a gross misinterpretation of my beliefs, Jerry, but pretty funny.”

Jerry grinned and nodded.

“Alright, I’ve got one for you,” Henry continued. “One of the things I’ve always objected to about the Bible is the story of Abraham and Isaac. Now then; there is no way you can convince me that a loving God would ask a man to kill his child by sacrificing him or her on an altar. In fact, the whole situation sounds like it was cooked-up a sadistic and capricious criminal. What do you say about that?”

Unbeknownst to Henry, Jerry was quite comfortable with the direction of their discussion.

“Okay, Henry. If you want to know the truth about that situation, I’ll be glad to tell you.”

“I can’t wait to hear this,” Henry mused.

“Let me begin to answer your question by reciting a passage. It’s Hebrews 11:17-19: ‘By faith Abraham, when God tested him, offered Isaac as a sacrifice. He who had embraced the promises was about to sacrifice his one and only son, even though God had said to him, ‘It is through Isaac that your offspring will be reckoned.’ Abraham reasoned that God could even raise the dead, and so in a manner of speaking he did receive Isaac back from death.’

“Humph,” Henry snorted. “Can you repeat that?”

Jerry did so.

“So what are you saying? I believe I’d go nuts if god asked me to sacrifice my daughter. Are you condoning the idea of child sacrifice?”

“No,” Jerry said, shaking his head. “Not at all.”

“Then what are you saying?”

“First off, it’s a given fact that child sacrifice was fairly prevalent back in Abraham’s time. Secondly, what I am saying is that Abraham had an abiding faith in God, along with God’s promises and covenants. Essentially, there’s a bigger issue at stake here.”

“What do you mean? Said Henry.

“You need to understand that Abraham’s function of being the so-called ‘father of our faith’ has taken. So the job isn’t available to you – or anyone else. As a result, you don’t have to worry about God asking you to sacrifice Megan. In addition, when Abraham’s faith was tested by God, Abraham demonstrated that he was

righteous. Actually, Romans 4:3 says, 'What does scripture say? "Abraham believed God, and it was credited to him as righteousness."' "Okaaay?"

## Satan's Playbook

By: Jody Bennett

Jody Bennett

In the world we live in, everyone wants to be on the winning team, and nobody wants to lose the battle. A winning team not only consists of the players, but the plays and the strategies that go into winning the game. Many coaches keep a playbook that contains the secrets to their winning plays. It takes a long time to gather this arsenal of trials, errors, wins, and losses. Similarly, an army is not only made up of the soldiers fighting, but behind-the-scenes technology and research. During war, strategies and tactics are comprised on both sides of preparation for defeat of the other side. There will always be opposition and/or an enemy that must be conquered in some aspects of our lives. These plays that are being stored up can be powerful in defeating the enemy. We must always be aware that Satan has his own playbook that he has been keeping for thousands of years. The Bible tells us that Satan is not God and he cannot create anything. He can, however, use the same plays over and over on us, in order to defeat us and hinder what God has in store for our lives.

A playbook, by definition, is a book containing a range of possible set plays or a notional range of possible tactics in any sphere of activity. This sphere of activity could be considered a representation of the earth. Satan has been tempting the earth since the garden. He began to compile his playbook from that day forward.

Satan tempted Christ. He tried to make him question who he was and his relationship with the Father. He tempted him with power, and tried to get him to show who he was by turning stones to bread, and jumping from the pinnacle of the temple without being hurt. In each of these three temptations, he immediately quoted scripture to counter the assault. This is how we are to react, with boldness and scripture. No devil wants to hear you repeat scripture over and over. Sooner or later, that spirit will break. All three scriptures Yeshua spoke were written by Moshe in the wilderness and are found in the Torah. Deut 8:3 says, "Man shall not live by bread alone, but by every word that proceeds from the mouth of God." "You should not tempt the Lord your God" Deut 6:16. "You shall worship the Lord your God and him only shall you serve" Ex 34:14. We can also find these scriptures referenced in the book of Matthew in the New Testament. Satan wanted to sidetrack Jesus and keep him from doing the will of his Father.

God's will for our lives is to be of the utmost importance to us. In order to find God's will for our lives, we must pray and study the word as well as follow the doors God opens. One

strategy from Satan's playbook that is effective, is to both distract you and to pull you away from God's perfect will. Your entire destiny is tied to the will of God, and in order to defeat it, distract it, or delay it, the enemy will plant a tare in your field, a goat in your flock, a bad fish in your net, or a Judas in your leadership. So don't think there will be no opposition. Through a vocal prophetic announcement the spiritual powers are alerted to the person's assignment, as was the case in the announcement of the baptism of Yeshua, and the showing up of Satan tempting him after 40 days of fasting.

## My Brother

By: Greg Brockman

This was written the same day I got the email about the racial reconciliation meeting. It was written in the spirit of lamentation.

Why does my brother look at me  
With such disdain  
All eyes can see?  
What does my brother hope to gain?  
He thinks of my hurt,  
Hopes for my pain.  
Where is my brother that could be my friend?  
His heart sees without  
But doesn't see within.  
Who is this, my brother who judges me?  
Crimes committed from past  
That had no part I see.  
Will my dear brother ever know  
I have for him no hate,  
No calloused soul?  
Can my brother know that I wish him well,  
To prosper and great health  
Not just outer shell.  
Where is my brother I long to see?  
He reaches out,  
But not to me.  
Why does my brother curse to rend,  
And judges me only  
By color of skin?

so loved the world that he gave his only begotten son, that who so ever believeth in him should not perish but have everlasting life.'

Sonya Richie read the scripture and opened in prayer

God so loved that he gave. God's love gives. Let us look at Adam and Eve - good and evil. They did not know of good or evil; they only knew of love. But love was stolen from them. I Corinthians 15:45, The first man Adam was made a living soul, the second man Adam a quickening spirit. Many people are looking for love in all the wrong places. This will be until we find God, because God is love and he never operates without love, even in judgment. People are watching you, so we need to reflect Christ. Love is not a suggestion or a creative idea, it is a commandment. There has to be balance. You have to love God's people."

The second speaker was Miss Kelli McCord, who spoke on unity. She was also the soloist. She sang *In the Presence of Jehovah*.

"Ecc 4:9-10, 'Two are better than one; because they have a good reward for their labor.' Kelli McCord told the women at the ladies meeting. 'For if they fall; the one will lift up his fellow; but woe unto him that is alone when he falleth;

for he hath not another to pick him up.’ Ecc 4:12, ‘And if one prevail against him, two shall withstand him; and a three cord is not easily broken.’

**Kelli McCord**

“1 Cor. 12:13, ‘For by one Spirit we were all baptized into one body, whether Jews or Gentiles, whether bond or free, and all have

been made to drink into one spirit.’ Look at your physical body parts they may seem insignificant, but they are very significant. Psalm 133, ‘Behold how good and pleasant it is for brethren to dwell together in unity.’ What is cutting the parts of the body of Christ off? The Lord has commanded the blessings. Unity brings blessings. God commands the blessings if we get in unity. God is pulling the body of Christ together. What will separate us from being in unity? Among other things, it is jealousy, unforgiveness, racism, and denominational walls. These are things that hinder the body of Christ from coming into unity. In the upper room, when they were all in one accord in Acts. 2:2, what if they had been focused on someone’s clothes or someone’s sin? They would never have received the Holy Ghost. They all had to come together in unity. Unity produces love. Let us all walk in unity and love and love one another.”

The third speaker was Sandi Stephens, who spoke on love and unity. “Christians are the salt of the earth,” Sandi told the ladies. “In the

**Sandi Stephens**

rapture, the Christians are going to be taken out. There will be no salt or light here. It will be gone. We need a passion in our hearts to reach the lost. We have to be a light. Martin Luther King said, ‘We must learn to live together as

brothers or we will perish as fools.’ Romans 8:39 says, ‘Nothing can separate us from the love of God.’ There will be no salt or light here. It will be gone. We need a passion in our hearts to reach the lost. We have to be a light. Martin Luther King said, ‘We must learn to live together as brothers or we will perish as fools.’ Romans 8:39 says, ‘Nothing can separate us from the love of God.’

“We should be manifesting the fruit of the spirit. There are a lot of spirits but the fruit of the spirit is found in Galatians 5:22-23, Love your enemies. Your enemies will keep coming back until you deal with the issues. Love your enemies. We have to kill them with kindness. Jesus came to the earth because he knew the struggles. In the beginning of time, Jesus was there. We serve the Living God who loves us all. We should always walk together in unity and love, love our brother and love one another.” Every message was on time and fit the Valentine theme for the month. The scripture of the hours was John 3:16. Molly Moon provided the closing remarks and prayer.

**Beautifully Broken** (from pg 3)

Last June, Kim faced tragedy, deep sorrow, joy, hope, provision, and peace beyond

**Prayer over people**

**You have my whole heart for my whole life.** understanding. Her husband was killed in a car accident on his way home from Chattanooga on 25 June. She explained how, without the word and without reading her Bible, she would never have been able to make it through such a difficult period in her life, especially when her children were also dealing with the loss of their daddy.

“there are things that trigger grief and sometimes you’re fine and then something will remind you of them. The one question I asked God over and over, he answered through my son William. He did not understand that he was giving me the answer I was needing. I can go all night with things, ways, and words that he has given me. Everyone will face a storm one day. I had a perfect life, everything I dreamed of, prayed for, and nothing was wrong. These are my scriptures: Lamentations 3:20, Hebrews 10:23, Proverbs 3:5-6, Revelations

21:4, Isaiah 43:2, Hebrews 4:12. God knows exactly what you need and I thank him.” Kim closed out with four points to remember she called them the 4 B’s:

- Be in the word
- Be in prayer
- Be a faith speaker
- Be in church

She explained if you apply these to your life watch how things will turn around. She closed with prayer and an altar call was given. Souls were saved.

people at Kingdom Life Refuge, "it is special. We are going to break protocol and pray over Cindy. Someone compared your sickness to a curse," he told Cindy Greenway. "It is not a curse. There is no condemnation on you. Y'all that come out to the school on a Monday night, God may begin something in you tonight that years down the road, you'll look back and say, 'That is where it began.'"

Cindy Greenway

"I hope you are expecting something tonight, because you will get something. When people start seeing miracles, that's how revival breaks out. Whatever you need, get ready because god is a big God. The Lord told me he was all I needed, not the supplements, just him." "Whenever Rick asks me to do this, I have to really pray." First Lady Wanda Stevens told the people at Kingdom Life Refuge. "I thought my prayer life was pretty good. I was about to read to my husband Allen when he was not feeling

well. I opened his book and it was on prayer. It

First Lady Wanda Stevens

is earnest, fervent prayer that gets results. Day-to-day, I fall short. We must direct our whole being into it. Matthew says Jesus went apart to pray. Close the world out and pray. Humble yourself. Yesterday I was getting ready for church, I looked down and there was a copy of the Battlefield News turned over and on the back, it said in red, 'Unity day,' 'Purpose,' 'that they be one as we are one.' In my Bible concordance, it said, 'Pray to the Lord,' 'Pray for others.' Lord, teach me how to pray – pray without ceasing. Samuel said, 'God forbid that I sin against god by ceasing to pray for you.' "I want us all to pray for unity, for the Whole Body of Christ Alliance, and for those lost souls that the alliance reaches – all those God wants us to reach out to."

Anthony Bertsch of Arcade Congregational Holiness Church

"Like Nehemiah," Tony told the people at Kingdom Life, "we must unite behind our passion for unity, pray, fast, and watch God in this alliance. Youth is my passion. We need a passion for those hurting, those down and out. If we don't have this passion, we need to pray for it. If we stop doing his work, he will stop working in this alliance. When we have his passion, he works in the alliance. If we wanna see change in our house, our community, in the alliance, we need that passion."

Marty Starcher of Least of These Ministries

"In John 17," Marty began at Broken Vessels Outreach. "He prayed for himself, the talmidin, then he prayed for us. In Acts 2:1 they were all with one accord in one place. In 2:46, they were praising God and having favor with all the people. They were together in one accord. You can't say you love somebody and not want to hang out with them. In Acts 4:24, they were in one accord. One accord: that's where the power is. MLK said, 'We must live together as brothers and sisters, or perish as fools.'" "We are all believers – black, white or candy stripe." James Mays told the people at Broken Vessels. "When we fail each other, we fail to understand each other. Brother Marty said, 'One accord,' not two or three, not a Honda Accord, one accord. We are not born hating. We are taught to hate. We can be untaught, taught unity. Marty says, when we come together (see pg 6)

wonderful it was to be together in unity for four years. "Everyone knows how hard it is to keep a group together these days not just in ministry, but keeping all of the personal issues out of the spotlight."

Rock Shunk displays the award given to Unity on a Mission as the cake comes in.

Brother Pineapple (Les Vinluan) addressed the people at the celebration.

Brother Pineapple opened with Revelation 2:10, "fear none of these things... Congratulations to Unity on a mission. It's all about Jesus! Pray for this ministry. God has his hand on it. It's all about Spreading the News. The men need to stand up like Rock said. My sheep hear my voice and they follow me. I know them that follow me. Some people don't even know Jesus. If he saved you, he will change you. Could 2017 be the year? He's coming anyway. The curtain is closing. You

have to get in the business. Ask God to make you a soul winner. I used to practice in my home, in my car, everywhere. I used to save everything in the house - the spoons, the sponges, the towels. I can now leave someone to Jesus because it is in my heart.

The scoreboard: God 13, Satan 0

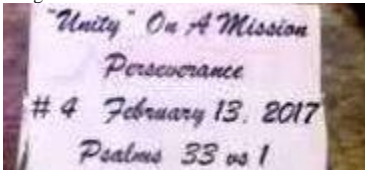

Tara brings in the birthday cake

"Street Ministries are different than pastors behind the pulpit," Rock told the people, "but they all have sheep, and we are the sheep of God's pasture. If you are saved, you are a sheep of his pasture. If you are not, you are either a wolf or a goat. I don't know what part of goats you ain't getting. Goats take a place down. They eat everything. They destroy everything. Partying with Jesus is what we do. He is not boring. Everybody is different. Everybody matters. In church, you feel like just a number, like in trucking. Go sit at QT for 15 minutes on a Saturday. See the sheep versus the wolves.

The award given to Unity on a Mission

"The team word is perseverance. We have persevered for four years. Keeping all the problems and issues under our hats takes good leadership. The trophy was presented to Unity on a mission for being a steadfast team.

The inscription at the bottom

"Eddie told me there have been 14 souls saved. He is dragging in souls this week. That's what we are supposed to do. You can be a preacher. If you are saved you are a preacher. This place has come a long way. How many of us know we are persevering? Do you see the body helping each other? That's what we are doing - they call, they get a live person, not a computer.

Some of the people listening to Rock Shunk

"The truth is people need each other, whether we are saved or not. At the Tower of Babel, they could actually do anything they wanted because they were in unity, in one accord until the Lord scrambled their language. Have you seen the pyramids in Egypt? They were made by men. I'm pretty compassionate. I'm a giver, but God won't let me give to people who don't have a thankful heart, people that look for the givers and try to use them. That's why I have 10 blockers. He's got us building something in the surrounding counties. The alliance is a big part. He will use anybody and he will reward you. He said he would Supply our daily needs. Store up Eternal things. What are Eternal things? Souls, people. God is all about people. when you get to heaven and you see the people had anything to do with leading to him, you will rejoice and so will they. There may be people you led to Christ, or you showed up and did something to help prepare his bride. We are she. We are his bride.

"Satan is after the identity of people just like Dustin at Real Identity says. Being in business for 40 years, I can tell them the truth: kids need to know they can deal with it. Go tell 25 people, who will tell 25 people. Word of Mouth works. It's better than i-phones, e-mails, or space book.

"I used to have what I called the save-the-male campaign. Where are the men? I kept saying, 'Lord, where are the men in this country? We need a Few Good Men. The men need to stand up for their families. Satan breaks up the families. He's got the rest of it in the bag. We got a fire back. Load up your guns or your gifts. Everyone has a talent. There are more devils in Washington than in Winder.

"Pineapple roped in some souls. It was so hot that day. These were church folks, but they didn't look it. He was sweating for those Souls. Revelation 3:10, 'because you have kept my Commandments, I will keep you from the trial that is coming to the world to test those who live on the Earth.'

"It is coming. Prepare your family. Gather the men-one in the field, one gone, one and two gone. Get your family ready. Hillary Clinton: men, do you think a woman would be a good president? I'm a woman and I know that a woman is not supposed to be the head. Women must stand down. They can't control your household. You must take control of your household. This is biblical. James 1:12, 'blessed is the man who perseveres through the trials, for when he has been approved, he will receive the crown of life.' "You go through hell and you can stand up here and show what he's brought you through. Encourage one another. I'm thankful for Eddie in the souls that he led to the Lord. We are not here just taking up oxygen. We have a purpose. We have a vision here, a children's ministry we are building in the back. My two year old granddaughter laid hands on someone in Big Lots last week. We are going to raise these kids up as Warriors. If you aren't afraid, come with us for the souls on the

street. There is a prison ministry that we also do. We send out *Armed and Dangerous* books. They are a quick study. If you want to look up lust, all you have to do is look it up in the table of contents and there are the scriptures. 'Please send us more of these,' the prisoners write.

"They picked me for the board of directors of the alliance. I don't know why. Then my daughter got involved. Jody is all about logistics. Look, He (God) is doing everything. He is uniting the body. We have to be in one accord like musicians. But we must not be prideful. We can't operate with pride."

### Wisdom Missed (from pg 5)

as brothers and sisters, or perish as fools."

Jody Bennett of Unity on a Mission

"I went to church all my life and never heard anything about unity in the body. I never noticed it in the Bible. Now it jumps right off the paper. It has been an honor to do the Battlefield News. It goes to three prisons. One prisoner wrote, 'Keep sending the Battlefield News; it's a game changer.'"

The reverend James Mays

"We are all believers - black, white, or candy stripe. When we fail each other, we fail to understand each other. Brother Marty talked about being in one accord, not two, not three, not a Honda Accord, one accord. We are not born to hate; we are taught to hate. We can be untaught. We can be taught unity. Marty said, when we come together, that's where the power is.

Pastor James definitely spoke a breath of life tonight. God will get your attention. Tires out of line? How is my life out of line with the will of God? Are you building people up? People destroy other people with their tongues. Satan wants that. This year, 2017 is the year to get back in alignment. It starts with you. Hate is at an all-time high. The thing worse than being lost is being lost and nobody is looking for you. Think about that!"

Daniel Gilstrap of D Earl Ministries

"I could've done Southern Gospel music, I cut my teeth on it, but when I was in the world, I would stay at the club until daylight. What if we praised God until daylight?" He sang *Still Standing*. "We are here in unity tonight so that, before you leave here tonight, you will know who Jesus Christ is. He is coming back quickly, people. We may not make it to another Sunday. Praise him."

"Unity is the state of not being multiple - one." First Lady Theresa Walker of Holy Bethel told the people at House of Prayer. "Harmony is a musical term, the combination of notes played or sung at the same time to produce a pleasing sound. The

Whole body of Christ endeavors to do just that, to align a group of believers from all different walks of life, weaved into a unification of oneness. We are not replacing the church; we are a paraclete to

**First Lady Theresa Walker**

come along side the church to help her and to strengthen her. In this alliance there are churches, schools, businesses all with the same goal, to equip the body of Christ. I say to you members of the body: as you are preparing to be soldiers, keep the standard of God held high, or we become tinkling cymbals and sounding brass (1 Cor 13:1), salt that has no savor (Mat 5:13). If we fail to walk in unity as the Father and the Son are in unity, we can miss out or by-pass the blessings of God. Let us stand together and sing *I Need You and You Need Me*.

**First Lady Delois Ware of House of Praise**

"Look around you. We are not a race, a gender, or a denomination; we are a body of believers. The altar is open to ask the Lord."

**Pastor Bryant Ware of MD House of Praise**

"We need to ask for and give forgiveness. Sometimes we use what our ancestors went through as an excuse to come against and speak against the race. People taken from Africa would never have been taken unless those in Africa had released them. We can do all things in the name of Jesus. Let forgiveness flow forth in his name."

**Robert (Elwood) Everett of the Unity Band**

"Think back about all the goodness God has shown you in all those dark times. You might be in one right now. The Holy Spirit has not forgotten about you, nor left you. We are watchmen on the wall. If you speak to a lost person and they don't listen, their blood is on them, but if you do not speak to them, their blood is on you."

"1 Pet 2:9, Have we forgotten that we were cleansed?" Wade Carey of Flaming Sword asked those at Unity on a Mission. Rom 8:17, we are heirs of God, and co-heirs with Jesus Christ. We are a royal priesthood. There are real followers and there are people who fake it. The housewife and the

CEO of a Fortune 500 company are all part of the priesthood. Everything matters to God. If you don't know his reason, read his word. You pursue him. Miracles? How about the universe? It's 56 billion

**Wade Carey, the author**

light years across and we are part of the royal priesthood. Seven-&-1/2 years ago, I got a call to start writing books. I was in trucking. I have five published books. You wouldn't believe the fiery darts from the enemy. We have a job description in Mat 28. We are to make disciples, not converts. Jesus does not have church walls. You don't 'accept' Jesus; it is a full-out surrender. We will all leave here because the human mortality rate is 100%."

**Ms Ellie Cooper of Living Hope**

"I read the October, November, and December Battlefield News. October was one of the best I've read. What old gospel song did Brother Pineapple use to refer to the thing you're sitting on? He said get up off your *Blessed Assurance*. What did I call the Battlefield News in the October issue? I called it Sparky. In October Mozelle wrote about the importance of a prayer language. What did she say was the most important action of soldiers? Answer: to communicate with the commander. Now get up off your blessed assurance and dig. We need to send Sparky to places we can't even pronounce.

**Pastor James Loyless on communion**

"It is the New Testament Passover. We don't place the blood on the door post of our house, but on the door post of our hearts, 'That I will pass over you and not destroy you.' Jesus said, 'I came to give life and give it more abundantly.' This is why we can speak of being covered by the blood. Is 53:5 says he was wounded for our transgressions and by his stripes we were healed. He is the bread that passed through the fire of God's anger. In the Old Testament, the blood of animals atoned for sin. In the New Testament, it was the blood of Jesus."

**Pastor Chuck Black**

"I was in the world until my eight-year-old son went down the aisle and gave his life to Christ. I had the most horrible dream that night that I went to hell. The next day I discovered it was not a dream. The first person I called was my cousin, who told me he could not witness to me, so he prayed that I would see hell. Phil 2:1-2, 'If there is any consolation in Christ... fulfill my joy(see pg 8)

### The Whole Body of Christ Alliance

is a body of believers from many Christian congregations, denominations, and ministries that work together for unity in the body of Christ; not all under one pastor, but as individual organ systems in a single body. We seek *unity in the body of Christ*, **not one world religion**. As the Bible instructs us, we are to work together synergistically, not against each other, nor are we to be independent of one another. No organ functioning on its own will survive very long.

If you wish to have an article published in the BATTLEFIELD NEWS or have a comment on anything you read in it, contact us. Your article may be published. Be sure to keep a copy of it since it will not be returned to you. Nor will you receive any financial compensation for it.

Most things in this 75<sup>th</sup> edition are not copyrighted material. All ministries are encouraged to reproduce all or any part of it for God's purposes.

If the WBCA has not contacted your church or

pastor, and your body of believers would be included, we will get to your church eventually, but don't wait until next year. The Lord may come for his bride before that. Contact us.

## Wisdom Missed (from pg 7)

by being likeminded... ..one accord, of one mind.' I had a problem forgiving, so I prayed until God spoke to me, 'You are not laying it at the altar.' When I did, I had freedom."

**Philip Nelms of Reach for the Kingdom**

"Ms Ellie is a prodigal, Shane is a prodigal, I am a prodigal. The enemy told me something out there. He told me that I was not a son, that I had sinned too much to return to the Father, that I had gone to a far country and I would die before I saw the Father. The enemy lies. He tells us we have sinned too much to come back home. The enemy will come against your mind, and tell you that you are no longer worthy of sonship; You can only be a servant. But the Father wants you back at his table, back as his son.

In the human body, the movements come from the brain. The body cannot function without it. So you see, in the body, this unity is so important. It is the same with the church and Jesus is the head. The Holy Spirit is like the nervous system. So Jesus intended for us to be led by the Holy Spirit so we fit into the body. This is true for all of life, not just in church. If our bodies operated the way the church presently operates, it would obviously need medical help. If Jesus is Lord, we don't get to choose where we fit into the body. It is your

responsibility to seek him until you know. As you are faithful, the Lord will promote you. Ask the your assignment. Ask the Lord where he wants you to serve. You must be faithful and not quit when you get your feelings hurt. When you are in your lane, you don't judge the lane next to you."

**Pastor Scott Lane**

"I believe we fall into a category of 'I can't.' it is inadequacy. The word says he has not given us a spirit of fear, but of a sound mind. So very many need Christ in their lives; they need us. I am excited to be counted among God's people, part of the body. I might be that little thing (uvula) in the back of your throat. Everybody we come in contact with is potentially a brother or sister in Christ."

**Chaplain David Whidding**

"We lead someone to Christ, and then we leave and say, 'I hope I see you in heaven.' At Behind the Walls and Fly Right Ministries, we don't argue with the inmates. If they are Muslims, okay fine. We are there for those who want us. We do not just walk away and say, 'I hope I see you in heaven.' On 1 April Fly Right will be in Birmingham, AL. On 29 April Behind the Walls will be in Perry, Ga. We need about 80 volunteers. Two weeks ago in Austin, Texas, we talked to 2007 inmates. 211 gave their lives to Christ and 322 rededicated. Rededication: this is where you leave the 99 for the one. What is the cost? It is a \$20.00 donation. If you don't have the money, there are scholarships. Besides, what is the cost to the inmates if you don't go?"

**Pastor James Walker**

"There are times when I did the wrong thing. He walked through that wall anyway. David has a prison ministry. It should be on all our hearts. The enemy is very busy. I know what it is like to watch you baby be placed in the back of a police car. It is a hard pill to swallow. God told us to do it, so we are gonna do it.

This alliance is unique, second to none. There is nowhere I'd rather be than right here tonight. I got saved while smoking a joint. I said, 'I can't smoke this; God is calling me.' My friend said, 'Give it to me; God ain't calling me.'

"Amos 3:3, Can two walk together, unless they are agreed?" Pastor Billy Angel told those at Holy Bethel. "I can't walk with that brother because he smokes. I can't walk with her because she... Matthew says let the wheat and the tares grow together and let God sort 'em out. If we are gonna accept each other, and you do something I believe is wrong, I'm gonna tell you. You don't have to agree with your brother, but we have to get people

saved. If I love on homosexuals, that doesn't mean I agree with their life choice. I just love on them. I've heard preachers say, 'Don't even try to be

**Pastor Billy Angel**

perfect, you can't.' That's not what the word says.

**Pastor Dustin Bonds of Real Identity**

"David says we just meet 'em where they are. Billy got up here and talked about 100% worship. Brother Percifield says we've known about unity for 6 years. We need life application. The gifts are for the equipping of the saints. This is what the Lord said to do - edify the body. On the road to Damascus, Paul saw his identity. We need not just the knowledge of it, but the identity. If you are the knee cap, be a knee cap. If you are an elbow, be that. A bunch of saints have this on their hearts. If you are part of the body, but can't identify what part you are, reconciliation is the stair step of faith. That is the revelation of your identity."

**The reverend Missy Iler of United Front**

"To have unity, we must realize we are soldiers, as are our brothers and sisters in Christ. When a soldier goes into battle, their unit is not the only one there. If we see a fallen comrade, we don't stop to see what unit he is from. We pick him up and take him to help. This is what we are deficient in. We are quicker to help someone from our own unit, but not from another unit. This must be repaired quickly. When Moses got his mission, he said, 'I'm not a good speaker.' God said, 'I am right there with you.' He still did not feel worthy. What if someone would've been there to tell him his worth? We are all wounded soldiers, and we bring more wounded soldiers. The medic risks his life to save them. What are we risking? What we risk by not being in unity is to watch our brothers and sisters walk right into hell. Unity does not care what unit you are in. It does not care about the sign in front of your church. Unity is love, and **that** is how we win a war. All of you are the heart of the Whole Body of Christ Alliance."

**Ms Ellie Cooper**

"This spark (BFN) does spread the word. We in this little area experience it and often take it for granted. I was not very active in this alliance until 2014. That is when we had to come against the unconstitutional laws of Jackson County. Because

of this alliance, that courtroom packed out and those laws were changed. From that time on, I became a believer.

In the Battlefield News, Mozelle does some really good writing on prayer, and the book being featured written by Wade Carey, takes place in Jefferson. Developing a relationship is the best way to win people to Christ. It takes money, so you can get up off your blessed assurance and dig deep so we can send this little spark all over the world."

**Pastor Bryant Ware of MD House of Praise**

"In Communion, you have comm and union. Even when we don't deserve it, he shed his blood for us. This is one of the highest forms of worship. Isn't that good news? There is nothing that Jesus can't protect us from and nothing so bad that he can't redeem us from. We don't have a mount of olives to go to, but we have a dying world to take his good news to."

**First Lady Delois Ware**

"The Lord is saying surrender, surrender. If this were our **last** opportunity, how many of us would walk out? I surrender to you, Lord.

of the Holy of Holies. She said, "Corruption in Ghana is real and we can change it." Each member stood in the gap for there region in Ghana.

First Lady Karen Essiful-Ansah

Pastor Joseph had an invitation for the visitors Sara Johnne, Mary Poky-Afryne and Kristy Loftin. As they began to talk with him, he was a blessing to Mary Poky-Afryne. She stated her husband left years ago for business and never returned. She wanted to be connected back to her love. Pastor Joseph made the commitment and promised that they would be on the assignment to find and unite them.

Pastor Joseph and Ms Mary Poky-Afryne

It was truly a blessing to see vessels care about one another enough to commit to make provision to see dreams come true.

The offering dance

The amazing thing was when tithes and offerings took place, The people were truly cheerful givers. They danced around there tithes and offerings in obedience and in the spirit. They all knew they would be blessed for their obedience in giving back to the kingdom of God. They are true and living examples of how American Christians should live.

Pastor Joseph Essiful-Ansah

Pastor Joseph Essiful-Ansah led everyone in the Ghana National Anthem, *God bless our Homeland Ghana*. It was a beautiful anthem.

Pastor Joseph preached. God truly used him to touch the people about Abraham. He stated how many sit in the churches today like our fathers and mothers with sickness. The world of the righteous is torn by the wickedness today. Pastor Joseph asked, "Do you know the price of the cost of the blessing of Abraham? People sit in the comfort of

there homes and expect to receive the blessing. Abraham just went in obedience. We should mobilize with God not this world. Let Abraham be the living example in your life today."

Pastor Joseph applauded our government for not being afraid to stand up for Christ.

The cake

The cakes

Mr & Ms Ghana, Samuel Dwena & Julia Watson

There was a Mr and Ms Ghana award for the day. They were Samuel Dwena and Julia Watson. Pastor Joseph then led everyone into the birthday celebration for Ghana and two of their members Emily and Jeff. Each member cut the cake and they truly had a celebration.

"I can tell you the one who repaired the breach between us and God. His name is Jesus. Don't

worry about your enemies; put all your trust in the Lord, not on your job, but on the Lord. He will make it alright. Praise him for what he's gonna do.

war. We have to remember who we are. The Holy Spirit said, 'Has opportunity created your position, or is it that relationship? With the relationship, opportunity doesn't matter; it is just a distraction. A new wine skin is a structure. Structure is good, but we do not want a spirit of religion.'

The people in worship

"Anybody wanna be in unity tonight? We are gonna get unified. Eph 4:2, forbearing with one another. What is a buoy? Think of peace as a buoy. We are forerunners. We go where there is no path. We are gonna cut a trail where there is no trail. We can't make it alone. Watch the buoy. There are going to be problems in the body. That does not

mean there will be division. In II Cor, Paul said, you know that one you turned over to the

devil? Let him back in; he's changed. Eph 4:7, 'But to each of us grace was given according to the measure of Christ's gift.' I Cor 13 - You may be casting out demons, but it's no good without love. Eph 4:8, He led captivity captive and gave gifts to men. Call out to God. Tell him you need to know about what he called you to do.

"We can come here and love on one another as one body. How did this come about? It is knowing your place, you calling. When your identity is being etched into your heart, it is painful, but it's worth it. Allow this and logos will become rhema. Eph 5:18, if you get high, you must keep doing it to stay high. Instead be filled with the Holy Spirit. Be imitators of God (Eph 5:1). They might be throwing stones. Don't confuse the stones with a word of wisdom. Paul was a sent one, creating a path where there is no path. A real evangelist is a great starter, but not a finisher. If you call a prophet at 2 am, he'll tell you to call back in the morning. An apostle can teach anyone, but not have the depth of any of the others in the five-fold. He is a starter. A pastor will love on you and do whatever it takes. If we are all going through this together, this certification, there is a nail-scarred hand nobody can pluck you out of. Are you ready for the engraving, or will a stamp do? No longer be children tossed to and fro by every wind of doctrine, by the trickery of men...(Eph 4:14-16).

"No matter what position I am called to, I can scrub a toilet. Is it opportunity that takes you to a position, or is it that relationship that takes you there? Don't get hung up on position. It is about relationships. The devil is coming back to attack you with the same thing he got you with before, but from a new direction."
